Organizing and sharing digital photographs has just gotten easier with PhotoBooks! Putting a modern spin on the traditional 'scrapbook', customers simply upload their digital photographs to one of many easy-to-use templates, arrange them, and personalize their PhotoBook with captions, themes and embellishments. Printed in full-color, PhotoBooks are available in an impressive 8 1/2 x 11" sized album and beautifully bound in hard cover.

PhotoBooks can also be branded so that customers will always associate their precious memories with your company!
